UETDRRF003 Perform Pole Top Rescue

Outcome: Nationally Recognised Statement of Attainment

Course Description

- Prepare to perform pole top rescue
- Carry out pole top rescue
- Complete the pole top rescue

Application

This unit covers the performance of pole top rescue procedures as an emergency procedure required in the workplace. It specifies the mandatory requirements of rescue from a pole top and how they apply in the context of transmission, distribution and rail work functions. It encompasses responsibilities for rescue, health, safety and risk management processes at all operative levels and adherence to safety practices as part of the normal way of doing work.

Course Duration: 2-3 hours (experience, competency and class size dependent)

Pre-requisites: Must be 16 years of age and possess good language, literacy and numeracy skills

Course cost: \$190.00 per person (GST free). Fully funded by Keystone if eligible

What to bring: USI Number (<https://www.usi.gov.au/students/create-your-usi>). Biscuits, tea, coffee and drinks are provided. There are many takeaway food options nearby or feel free to bring your own lunch

PPE requirements: Hard hat, safety boots, long pants and Hi Vis short/long sleeve shirt

Locations: Unit 2/8 Cessna Way, Cambridge/25 Merino Street, Kings Meadow and 28 Don Road, Devonport
