Provide First Aid in an ESI Environment

Outcome: Nationally Recognised Statement of Attainment.

Course description:

- Respond to an emergency situation
- Apply appropriate first aid procedures
- Communicate details of the incident
- Review the incident

Application:

This unit involves the skills and knowledge required to provide first aid in an electricity supply industry (ESI) environment.

It includes the recognition and provision of an initial response where first aid is required and how it applies to ESI workers to meet work health and safety (WHS)/occupational health and safety (OHS), mobility and mutual aid requirements.

Duration: Approx. 3-4 hours as a refresher (maximum of 12 students per class).

Pre-requisites: A current CPR HLTAID009 statement of attainment. Must be 16 years of age and possess good language, literacy and numeracy skills.

Course cost: \$170.00 per person (GST free) fully funded by Keystone if eligible, please contact HRWS to discuss group booking discount rates.

What to bring: USI Number (<https://www.usi.gov.au/students/create-your-usi>), Biscuits, snacks, tea, coffee and drinks are provided. There are many takeaway food options nearby or feel free to bring your own lunch.

PPE requirements: Safety boots, long pants and Hi Vis short/long sleeve shirt.

Locations: Unit 2/8 Cessna Way, Cambridge/25 Merino Street, Kings Meadow and 28 Don Road, Devonport.
