## Course Overview

This 4WD Driving Training nationally recognised course covers both theoretical and practical aspects of how to operate and maintain a four-wheel-drive vehicle in a variety of industries. This delivery includes a very thorough practical including how to perform numerous checks (e.g pre/post-start, break, and engine) and how to use the many features of a four-wheel-drive vehicle. The 4WD Training course is delivered all in accordance with road rules and principles of four-wheel driving under WHS regulations. The theoretical and practical components also include a variety of vehicle recovery techniques, minor maintenance, and vehicle repairs in Brisbane, Sunshine Coast, and Tasmania Location.

## Registered Training Organisation

This course and all related training and assessment services are delivered by Link Resources Training Pty Ltd (RTO Provider Number 45483).

For more information on target audience, self-paced learning, outcomes, payment options, entry requirements and pathway please visit the website on: <https://link-resources.com.au/courses/driving/4wd-skill-set/>

## Equipment & PPE Requirements

It is a requirement of this course that the student must hold a valid manual driver's licence. Link Resources will provide the four-wheel-drive vehicle to complete the course practical activities.

Link Resources will supply all equipment necessary for all students to undertake training and encourage students to bring along their own relevant equipment, procedures, and other information. For our public courses at our built training facilities trainees must wear suitable clothing (t-shirts, pants, and closed in footwear as a minimum).
