

Aims and Outcomes

This course aims to ensure successful candidates can safely and competently operate a Self-Erecting Tower Crane on site. On completion of the course participants will be able to conduct risk assessments, perform pre-operational checks, plan lifting operations, operate the crane competently and shut down the crane.

Pre-requisite

Licence applicants must be 18 years of age and be physically capable of performing the tasks of a Self-Erecting Tower Crane operator. A basic level of English and mathematics will also be required.

Course Content

The Tower Crane operator course is mapped to the Nationally Recognised unit of competency: **CPCCLTC4002**

Licence to Operate a Self-Erecting Tower Crane

- Legislation, Australian Standards, National Standard for Licensing Persons Performing High Risk Work, codes of practice and company lifting procedures.
- Company risk management procedures and crane risk control

- Shut Down and secure site, all lifting gear to be inspected; crane to be inspected and any problems entered Logbook.

Duration

32 hours conducted over 4 days.

Maximum Participants

6 persons

Cost

\$2100 per person (GST Exempt).

Certification

Successful candidates will be awarded the Nationally Recognised unit of competency, CPCCLTC4002 Licence to Operate a Self-Erecting Tower Crane recognised within the Australian Qualifications Framework (AQF). A Licence to Perform High Risk Work, class CS will also be issued upon application to WorkSafe Tasmania

Reassessment

Students who do not successfully complete the course assessment or who are deemed not ready for assessment during the regular course timeframe will require an additional assessment. Additional costs will apply to any additional assessments.

Cancellations

A cancellation fee will not be charged for courses cancelled or rescheduled no less than 5 working days prior to the course start date.

For courses cancelled less than 5 days prior to the start date a cancellation fee of 30% of the course cost will be charged.

For courses cancelled less than 1 day prior to the start date a cancellation fee of 50% of the course cost will be charged. Full course fees will be charged for “no shows” and participants who start a course but do not complete it.

Refund Policy

No refunds are available once a course has commenced.

Non-attendance at your chosen course/workshop does not warrant a refund, however substitutes are accepted should you not be able to attend a course for which you have registered.

Under exceptional circumstances Industrial Licencing Solutions may give a refund. If you consider that you have a basis for such a claim, you will be required to apply for a refund in writing and provide relevant documentary evidence to substantiate your claim.

Please note that as Covid restrictions have been lifted, we expect participants to still attend their course while following Covid safe practices in our training space. If you are unable to attend due to sickness a doctor's certificate will be required.
