

Health and Safety Representative (HSR)

The Health and Safety Representative (HSR) training is designed for elected HSRs and Deputy HSRs who have requested approved training to gain a greater understanding of the management of the Work Health and Safety Act (2012) and its application to their role as an HSR.
Course overview:

- WHS legislative framework;
- Consultation, representation and participation;
- Issue resolution, support for HSRs and managing risks;
- Workplace inspections, notifiable incidents and incident Investigation;
- PINs and directing cessation of unsafe work
