

Forklift

Course Overview

This unit covers the skills and knowledge required to operate a forklift truck safely. Forklift truck means a powered industrial truck equipped with lifting media made up of a mast and an elevating load carriage to which is attached a pair of fork arms or other arms that can be raised 900 mm or more above the ground, but does not include a pedestrian-operated truck or a pallet truck.

A person performing this work is required to hold a forklift truck high risk work (HRW) licence.

This unit includes the following knowledge and skills plan the work, conduct routine checks on a forklift truck, shift loads in a safe manner, and safely shut down and secure equipment after completing operations.

Target Audience

This unit is typically undertaken by those who are in (or looking to get into) operational roles in the warehousing, manufacturing, construction, resources and transport industries.

Registered Training Organisation

This course and all related training and assessment services are delivered by Link Resources Training Pty Ltd (RTO Provider Number 45483).
