

COURSE NAME	COURSE AUDIENCE	COURSE OVERVIEW & LEARNING OUTCOMES	ASSESSMENT QUESTIONS	CPD POINTS/DURATION
Safe Work Method Statements	Builder	<p>All workplaces must have documented procedures for the performance of all assessed tasks that have a high likelihood of causing harm or injury to a person performing the task.</p> <p>All high-risk construction activities require the development of a Safe Work Method Statement (SWMS).</p> <p>This course aims to ensure you understand your legal obligations with regard to SWMS including penalties for non-compliance and understand the information to be contained with the SMWS, and who is responsible for completing them. It aims to ensure you understand how to develop a SWMS using a risk assessment approach on a standardised template and demonstrate a knowledge of how long a SWMS needs to be kept, when it is reviewed and where to store them.</p>	<p>A series of online closed questions that are auto marked; questions are directly related to the learning material covered in the course.</p> <p>Participants are required to achieve a pass rate of 80% to successfully complete the course.</p> <p>The course allows up to three (3) attempts to successfully complete all the assessment questions. Participants will be sent a CPD certificate by email upon successful completion of the course materials and assessment process</p>	1 CPD point / 1 Hour
