Understanding the Changes to WHS Legislation	Builder	<p>With the introduction of the changes to the WHS laws, there has been a distinct move towards harmonising the legislation across Australia.</p> <p>This training module is aimed at educating the student in the changes to the WHS legislation, ensuring an understanding of the new terminology and interpretation of the legislation can occur. This, in turn, will help workplaces adjust to the new legislation and make changes to their existing safety systems.</p>	<p>A series of online closed questions that are auto marked; questions are directly related to the learning material covered in the course.</p> <p>Participants are required to achieve a pass rate of 80% to successfully complete the course.</p> <p>The course allows up to three (3) attempts to successfully complete all the assessment questions. Participants will be sent a CPD certificate by email upon successful completion of the course materials and assessment process</p>	1 CPD point / 1 Hour
