www.nda.com.au

Prerequisites

Skills equivalent to NDA's MS Office Essentials course

Course Objectives

Upon completion of this course, attendees will be able to produce documents with a wide range of complex layouts and formats and work with long documents.

Learning Outcomes

- Use AutoCorrect, AutoText and AutoFormat
- Use headers and footers
- Find and replace text
- Create simple tables
- Use the full range of paragraph bullet, number, border and shading techniques
- Create and modify long documents efficiently by using styles, outlines and templates
- Create an automatic table of contents
- Salvage badly word-processed documents produced by others
- Create a variety of document layouts by using sections and section breaks
- Use footnotes
- Use automatic numbering and cross referencing by using fields
- Embed charts and tables produced in other programmes
- Produce documents in cooperation with others

Optional Assessment

This course is part of a nationally recognised training program. Participants who successfully complete the optional assessment component of this course will receive a Statement of Attainment for the unit of competency aligned to the training course.

Exercises and activities completed during the course will be used as evidence towards unit competency.

Participants who choose not to be assessed will receive a Certificate of Attendance.

PER UNIT FEE: \$150
