

Test & Verification

Continous Professional Development for Electricians

Pre-Requisites

Electrician's Licence or Electrical Apprentice

Course Duration

Approx. 4-6 hours

Mode of Study

Face to Face

Course Requirements

You are required to provide your own testing equipment which you are familiar with.

Dates, Cost and Registration

Courses can be tailored and delivered in a flexible way to suit business needs. Give us a call for a quote or jump online (www.necaeducation.com.au/test-verification) and register your interest and we will get back to you with a cost effective package based on delivery location, numbers and time frame.

Eligible businesses may be able to claim a part refund for training costs on application to Keystone Tasmania (formally the Tasmanian Building & Construction Industry Training Board). Keystone requires an application two days prior to course start date.

Course Information

NECA Education & Careers is supporting employers and electricians with Test and Verification Continuous Professional Development (CPD) sessions. Earn 6 CPD points while taking part in an overview of AS/NZS3000 Section 8 with tips and techniques to ensure you comply with current regulations.

Areas covered by the session include:

- Mandatory test awareness
- Test Equipment
- Techniques, tips and pointers on how to efficiently and safely test installations
- Interpreting results to verify compliance
- Records for compliance
- Fault finding, Testing and Verification practice on simulated installations using candidate's own tools/test instruments.

The course combines face to face delivery, practical demonstration, fault finding and installation testing practice on purpose built test panels. We are able to deliver this in-house at our offices (Devonport/Hobart) or at other venues (such as your workshops/offices) to suit your needs. The session is generally delivered over 4 to 6 hours and can be tailored to suit the businesses needs during business or after hours. Group input and discussion is encouraged.

Session are designed to cater for class groups of 8, however we can tailor sessions to suit your needs.

Attendees will receive a comprehensive work-book to take away with them and a statement of attendance. Participants each receive a Certificate of Attendance and 6 CPD points.

Standard session fees can be tailored per candidate or per group to suit. Note that discounts apply to NECA Tasmania members and NECA Education & Careers host businesses.
