

THE SAFETY SPECIALISTS

PROVIDE FIRST AID

HLTAID011 – PROVIDE FIRST AID

First Aid- Provide First Aid- HLTAID011

This course is aimed at anyone who wants to learn essential first aid skills and who may be required to provide a first aid response in a range of situations.

Participants will attain the practical application and understanding required to provide first aid response to a casualty.

Participants will be able to:

- *Respond to an emergency situation
- *Apply appropriate first aid procedures

- ✓ Respond to an emergency situation
- ✓ Perform CPR Procedures
- ✓ Communicate Details of the incident
- ✓ Incident Review

Assessment

Participants will be assessed via questionnaire and practical demonstration of skills. Participants with literacy/numeracy difficulties or physical conditions should speak with the Trainer to discuss alternative assessment approaches. Applicants will be required to undertake physical activity to meet all the assessment criteria to a satisfactory level.

Qualification

On successful completion, each participant will be issued with a Statement of Attainment.

Refresher

The Worksafe TAS Code of Practice 'First Aid in the Workplace' recommends refresher training be undertaken annually.
