

PROVIDE FIRST AID

HLTAID011

SGC Safety is proud to train under the KGE Mines Rescue banner for all RTO Courses

Contents:

- Cardiopulmonary Resuscitation (CPR)
- Breathing difficulties and allergies
- Chest pain
- Shock, wounds and bleeding
- Medical emergencies
- Burns
- Trauma injuries
- Fractures and soft tissue injuries
- Poisons
- Bites and stings
- Heat and cold illness and injury

Our difference is in our training method which incorporates mock group scenarios and trainers with real world experience. Delivery is all face to face and assessment is blended with practical, theory and holistic assessment.
