Unit Descriptor

- plan for the work/task
- prepare for the work/task
- perform work/task
- pack up

Application of the Unit

This unit specifies the skills and knowledge required to operate a forklift truck safely in accordance with all relevant legislative requirements.

Forklift truck means a powered industrial truck equipped with lifting media made up of a mast and an elevating load carriage to which is attached a pair of fork arms or other attachments that can be raised 900 mm or more above the ground but does not include a pedestrian-operated truck or a pallet truck. A person performing this work is required to hold a forklift truck High Risk Work Licence (HRWL).
