

Training Course Outline

Elevated Work Platform

TLILIC0005 Licence to operate a boom-type elevating work platform (boom length 11 metres or more)

RIIRTM203E Work as a safety observer/spotter

RIIHAN301E Operate elevating work platform

This training program teaches candidates the skills and knowledge required to safely operate a boom-type Elevating Work Platform (EWP) where the length of the boom is 11 metres or more in accordance with legislation.

In this course a boom-type elevating work platform is defined as a telescoping device, hinged device, articulated device, or any combination of these, that is used to support a platform which elevates personnel, equipment, or materials.

Candidates will learn how to:

Plan EWP operations work by,

- Identifying workplace hazards and control measures
- Selecting appropriate EWP according to workplace conditions and tasks
- Developing effective communication skills
- Using safety equipment correctly

Conduct routine checks by,

- Interpreting signs and labels
- Confirming sign visibility
- Conducting pre-start operational and visibility checks
- Correctly setting up EWP

Safely operate EWP by,

- Assessing safe limits to comply with EWP data plate specifications
- Managing hazards and stabilising EWP
- Responding to incidents and unsafe conditions

Work as a safety observer/spotter by,

- Directing and managing vehicle and pedestrian traffic
- Communicating using hand signals and radios
- Implementing no-go and exclusion zones

Shut down and secure EWP by,

- Preventing unauthorised access and parking EWP appropriately
- Following EWP shut down procedures
- Conducting checks after EWP operation

Candidates are required to successfully complete a theory and practical component to obtain a Statement of Attainment.

Course Dates: Scheduled monthly and on demand

Cost: \$780.00 per person

Delivery Mode: Internal Delivery

Duration: 2 days starting at 8am

Location: Ridgley Training Facility – 2 DeBoer Dr EAST RIDGLEY TAS 7321 (First left on Circular Road)

Outcome: Upon successful completion the candidate will be awarded a Statement of Attainment for **TLILIC0005 - Licence to operate a boom-type elevating work platform (boom length 11 metres or more)** and **RIIRTM203E - Work as a safety observer/spotter**, **RIIHAN301E - Operate elevating work platform**, and the necessary interim licence to apply for a **High-Risk Work Licence** for Elevated Work Platform – (WP) in Tasmania.
