This training is delivered by Transtegic Workforce Development under partnership arrangements with Scala The Training Company. Scala is the Registered Training Organisation (RTO 6010) and issues the Qualification and/or Statements of Attainment.

WHO IS IT FOR?

People who work in leadership roles including supervisors, managers, leading hands, team leaders, and coordinators.

The program is also ideal for emerging leaders to prepare them to transition into leadership roles.

OUTCOMES

- ✓ The tools, skills, knowledge and confidence to be a good leader
- ✓ A nationally recognised qualification

COST

\$3,700 per person if undertaken as a subsidised traineeship, payroll tax rebates may also be available. TMEC and BBAMZ membership attracts a further \$400 discount. Building and Construction Industry: Keystone funding and CBOS 10 CPD points approved. Full price \$6,400 (all prices exclude GST).

OUR APPROACH

Leaders attend five two-day training workshops to learn and practice the leadership tools. There is approximately six-weeks between each workshop to enable leaders to go back and apply these skills in the workplace.

LEADERSHIP TOOLS SUPPLIED:

- Time management
- Effective communication
- Lead difficult conversations
- Make informed decisions
- Manage underperformance and misconduct
- Lead safety and environmental sustainability
- Implement team improvement plan
- Apply continuous improvement
- Develop positive relationships
- Resolve issues and conflict
- Workplace mentoring
- Effective goal setting
- Lead diversity
- Effective delegation
- Effective presentations
