ELECTRICAL WORKERS

- ➔ Increase your earning potential
- ➔ Increase employment prospects
- ➔ Learn online in your own time

EMPLOYERS

- ➔ All workers who install and decommission split systems must have a refrigerant handling licence (RHL)
- ➔ Develop your employees skills

Who should enrol in this Course?
This course is being offered to qualified electricians and 3rd/4th year electrical apprentices. Non electrical workers such as plumbers or trade assistants may also be able to complete this course after undertaking a Recognition of Prior Learning (RPL) assessment by one of our qualified assessors.

Course Duration
2-6 days* practical depending on experience of applicants. A pre-screening to determine the learners needs will be conducted before the course. Workplace training may be required. The knowledge component can be completed online at a time and place that suits you. A refrigerant trainee licence must be obtained from the Australian Refrigeration Council (ARC) before the practical component of the course commences.

Course Location
Call our office on **1300 856 832** or check our website www.getskilledtraining.com.au for a course being delivered in your area. We can also deliver on-site training at your business address.

Outcome and Qualification
On successful completion of the course you will be issued with the qualification **UEE20120 - Certificate II in Split Air-conditioning and Heat Pump Systems** which is an approved qualification to apply for a restricted heat pump and split system installation and decommissioning licence with the Australian Refrigeration Council. Students who do not complete the course in full will be issued a statement of attainment for the units of competency achieved.

Completing the theory online at your own pace means less time in the classroom and more time on the tools. It's easy!

***PLEASE NOTE** - Courses require a minimum of 4 students to run. Get Skilled Training does not allow prospective learners to pre pay fees in excess of \$1,500 before the relevant services have been provided. Total course cost may vary by training location.
