

## Unit Code & Title

CPCCWHS1001 Prepare to work safely in the construction industry

## Duration: 1 day

Please ensure you thoroughly read this course brochure and the relevant webpage prior to confirming your Enrolment.

## Course Overview

This unit of competency covers the skills and knowledge required to educate participants how to carry out tasks safely whilst working in the construction industry. If you intend to work in the construction industry in Australia, you may need a Construction Induction card or what is commonly called as “White Card”. Prepare to work safely in the construction industry unit of competency requires personnel to demonstrate personal awareness and knowledge of health and safety, in order to prevent injury or harm to self and others. This course covers:

- Identifying relevant standards & legislation requirements related to working on a construction site
- Identifying construction hazards & understanding risk control measures
- Identify ways to communicate with superiors and workers on site
- Identifying responsibilities and rights of workers & supervisors on site
- Applying safe work practices whilst working on construction sites
- identifying procedures for responding to potential incidents & emergencies
- correctly selecting & fitting common personal protective equipment (PPE) used for construction work

## Registered Training Organisation

This course and all related training and assessment services are delivered by Link Resources Training Pty Ltd (RTO Provider Number 45483).

For more information on target audience, self-paced learning, outcomes, payment options, entry requirements and pathway please visit the website on: <https://link-resources.com.au/courses/construction/>

## Equipment & PPE Requirements

Link Resources supply all equipment necessary for all students to undertake training and encourage students to bring along their own relevant equipment, procedures, and other information. For our public courses at our built training facilities trainees must wear suitable clothing (t-shirts, pants, and closed in footwear as a minimum).
